My intention and commitment as one who is privileged to serve the children of this Church:

1. I will seek to be the kind of person that I want those whom I serve to become. I also want to be the kind of person that those who serve alongside of me would like to become.
2. I will be responsible:
  - > For my attitude, words, and behaviors.
  - > To keep my commitments (eg. Showing up on time; Prepared; “a person of my word”)
  - > To follow the directives of the Ministry head.
  - > To support the beliefs, practices, and leadership of this Church.
3. I will apply principles toward any and all minors (Nursery thru 17 years) that promote safety, encourage personal development (body, mind, soul), and in all aspects continue to cause this church to be a positive and healthy place to be.
4. I will participate in mandated training that may be periodically required. If I cannot participate due to factors beyond my control, I will inform my ministry head in advance and arrange for alternatives. If asked to step aside for a period until such training can be applied, I will understand and cooperate.
5. Some specifics:
  - a) No one-on-one meetings without knowledge and consent of subject’s parents.
  - b) No private (isolated) times such as in a car, closed door room, etc.
  - c) No social media conversations (eg. facebook, cell phone, etc)
    - > A ministry may use social media and/or electronic means to send out information authorized by the ministry head, and clearly be information, not conversation.
  - d) Maintain physical and communication boundaries that are taught in annual training.
  - e) Follow reporting structures (re: Abuse or Neglect) that are taught in annual training.
