THE END ...OR THE BEGINNING...

Revelation 13-14

False Prophet's Campaign:

- Spectacular _____
- All must _____
- Impressive _____
- All must _____
- Misleading _____
- All must _____

Following Christ:

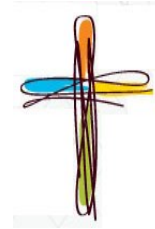

- There's always _____
- But it's worth it _____

His arguments will be subtle, convincing and appealing. His oratory will be hypnotic, for he will be able to move he masses to tears or whip them into a frenzy. He will control the communication and media of the world and will skillfully organize mass publicity to promote his ends. He will be the master of every promotional device and public relations gimmick. He will manage the truth without guile beyond words, bending it, twisting it, and distorting it.. Public opinion will be his to command. He will mold world thought and shape human opinion like so much potter's clay. His deadly appeal will lie in the fact that what he says will sound so right, so sensible, so exactly what unregenerate men have always wanted to hear. His persuasive message will likely reach the whole world through cutting edge technology.

THE END ...OR THE BEGINNING...

Then Jesus told his disciples, "If anyone would come after me, let him deny himself and take up his cross and follow me. For whoever would save his life will lose it, but whoever loses his life for my sake will find it.

Mathew 16:24-25

1. What are some things you've sadly had to decide to cancel this year because of Covid concerns and restrictions?
2. Why do we often avoid, run from, or compromise on decisions that have a cost? What are some examples? What does Jesus say is the cost for following Him? See Matt 16:24-25.
3. Read Rev 13:11-12. What is the second beast's role? Why do you think the world will turn to worship as a result of his message?
4. Read Rev 13:13-15. How does the second beast deceive the world and where does his power come from? Why do you think God allows the world to fall into deception in the end times? See 2 Thess 2:9-12.
5. Read Rev 13:16-18. Who does the mark of the beast affect and why will it be so tempting to take? Why does God not consider it a trivial thing but something very serious? See Rev 14:9-11.
6. Even though there's a cost in deciding to following Christ, why is it worth it in the end? See Rev 14:12-13.
7. While the world will one day bear the mark of the Beast, why is it so important to bear the mark of Christ today? What does that look like?

Mark it down: there will always be a price to pay for believers who do not worship the idols of this world. Life will not be easy in this world when you fight the idolatry of this world.
