CHURCH**

In Revelations 2 and 3, Christ gave His appraisal of 7 local churches in Asia Minor. His diagnosis in most instances included both strengths and weaknesses. He also prescribed what needed to be done. The Ministry Insight Tool is one of the ways we seek the Lord's will in understanding our church's needs and direction for the future. Prayerfully seek the Lord's wisdom and insight as you complete the Ministry Insight Tool. Please enter this link in the address bar of your web browser: www.surveymonkey.com/r/DixHillsChurchNY. The online survey will close at midnight, Monday, May 30th. Paper copies are available in the back for those without web access.

Discussion / Devotional Questions

1 Peter 3:8-17 ~

Read 1 Peter 3:8

- What does it look like to live like this, especially towards other believers?
- In which of these areas do you find yourself struggling the most? Why?

Read 1 Peter 3:9-11

- Why is it good to be a blessing to others, even when they are evil to us? What does this look like practically in your life?
- Take a moment to reflect on a recent situation where you found it difficult to be a blessing, bring that to God in prayer and ask for strength & wisdom to change.

Read 1 Peter 3:13-17

- What does it look like to have a gentle & respectful defense as opposed to one that doesn't honor God?
- Is there a person you find difficult to love or respond to? Take a moment and pray for that person and your relationship with them.
- As you close, take some time to thank God for being our example & blessing for us – He is the one who has saved us & without Him we could not be a blessing to others
