Discussion / Devotional Questions

### Haggai 1

#### "Are We Ready for the Lord's Work?"

1. Haggai rebukes the people for their loss of vision in failing to be engaged in the work of rebuilding the temple. Is there a work/service the Lord has called you too that you failed to respond in obedience?
2. When opposition and problems arose, the people reinterpreted God's Word by saying it was not time to rebuild the temple. This is a common and comfortable resolution when experience clashes with creed. What steps can you do to make sure God's commands are obeyed, despite the experience of opposition, problems or discouragement?
3. Years earlier, prior to Haggai's message, King Artaxerxes prohibited the building of the temple by edict. What could the leaders of Judah had done to secure the revocation of this edict? Why didn't they?
4. Twice the Lord asks them to "Give careful thought to your ways" (v.5 & v.7). What did the Lord ask them to do in v.8? And what would be its result
5. In what 3 ways did the people respond positively to Haggai's sermon?
